Inhalation:

This product is corrosive to mild steel. Do not store or transport in unlined metal containers. Do not contain water, food or feed by storage, disposal or cleaning of equipment.

Precautionary Statement:

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

Do not contaminate water, food or feed by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Do not use for food grade coatings or adhesives that may come in contact with food.

**ADHESIVES AND TACKIFIERS**

**DIRECTIONS FOR USE**

For use as a microbiocide to control bacteria, algae and fungi in building materials such as: elastomeric roof and wall coatings and mastics, caulks, sealants, joint compounds, paints, epoxy, acrylic, and other pre-cookedases. Use 0.12 - 0.56 pounds of ROZONE™ 2000 MILDEWCIDE per 100 pounds of formulation. Rozone™ 2000 MILDEWCIDE may be fatal if swallowed or inhaled. Do not get in eyes, on skin, or on clothing. Avoid contamination of food. Do not take internally. Wash thoroughly with soap and water after handling. Do not give anything to an unconscious person.

**NOTICE**

**STORAGE OR DISPOSAL**

**PESTICIDE STORAGE**

This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, bays or other waters in accordance with the requirements of the National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA. Do not contaminate water by cleaning or disposal of waste. Apply this pesticide only as specified on this label.
