When you clean mold and mildew you can make the clean last longer with Mold Armor® Mold Blocker. Mold Blocker creates an invisible barrier to the growth of mold to keep indoor and outdoor surfaces mold free for up to 3 months. And, it’s guaranteed effective.

For use in Bathrooms, on Linens, Draperies, Fabrics, Apparel, Carpets, Bedding and Upholstery/Furniture.

• Creates an invisible barrier to inhibit the growth of mold and mildew
• Prevents mold and mildew growth and odors
• Water-based & odor free

Mold Armor Mold Blocker provides protection from mold and mildew staining when properly applied. Mold Blocker establishes a barrier between most household non-porous surfaces and bacteria and mold/mildew that cause odor, staining, and discoloration.

Protection indoors and out! Store Mold Blocker in a sprayer, tubing, shower curtains, shower stalls, sinks, wallpaper for non-contact surfaces, window sills, cabinets, garbage cans, appliances, and vanity tops weekly to replenish barrier. Use on clothing, bedding, upholstery, and drapes. Reapply every 3 months.

**PRECAUTIONARY STATEMENTS - HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** If inhaled or absorbed through the skin. Avoid breathing vapors or spray mist. Avoid contact with eyes and skin. Wash with soap and water after handling. Remove contaminated clothing and wash before reuse.

**FIRST AID IF ADVERSE Effects are noted**

If swallowed: Call POISON CONTROL CENTER or doctor for further treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor.

If in eyes: Rinse eyes open and immediately and gently with water for 15 to 30 minutes. If necessary, obtain medical advice. Do not apply pressure.

If on skin: Wash skin thoroughly and immediately and gently with water for 15 to 30 minutes. If necessary, obtain medical advice.

If inhaled: Call a Poison Control Center or doctor immediately for treatment advice. Remove to fresh air. If necessary, obtain medical advice.

**KEEP OUT OF REACH OF CHILDREN**

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**Bathroom and Non-Contact Kitchen Surfaces:** Tub, glaze tiles, vanity tops, shower curtains, shower stalls, sinks, wet, washable walls, wallpaper for non-contact surfaces, window sills, cabinets, garbage cans, appliances. See a list of recommended bathroom and non-contact kitchen surfaces 1-888-326-7743.

**SPRAY:** Shaker well. Using trigger pump sprayer, spray entire surface area 6” - 9” from the surface making sure the surface is completely covered. Let stand until dry or let stand for 3 minutes and spray with clean cloth or sponge. If spotting occurs, wipe with moist cloth or sponge. If necessary, repeat every three months or when odor, staining, and discoloration due to bacteria, mold, mildew, or stainless steel return.

**Linens, Drapery, Fabrics and Apparel:** Bed sheets, blankets, bedspreads, pillowcases, sheets, curtains, decorative pillows, window treatments, drapery panels, curtains, draperies, Beach Towels, chenille, cotton, silk, polyester, polypropylene, polyethylene, acrylic, nylon, rayon, spandex, vinyl, and wool.

**SPRAY:** Clean surface prior to application. Shaker well. Using trigger pump sprayer, spray entire surface area 6” - 9” from the surface making sure the surface is completely covered. Let stand until dry or let stand for 3 minutes and spray with clean cloth or sponge. If spotting occurs, wipe with moist cloth or sponge. If necessary, repeat every three months or when odor, staining, and discoloration due to bacteria, mold, mildew, or stainless steel return.

**Bedding, Upholstery/Furniture:** Mattresses and mattress ticking and upholstery composed of cotton, acrylic, polyester, cotton, garments, mix, polyethylene, polypropylene, polypropylene, rayon, silk, spandex, vinyl, and wool. For use on bedding, upholstery, and mattress ticking. See a list of recommended bedding, upholstery, and mattress ticking surfaces 1-888-326-7743.

**SPRAY:** Clean surface prior to application. Shaker well. Using trigger pump sprayer, spray entire surface area 6” - 9” from the surface making sure the surface is completely covered. Let stand until dry or let stand for 3 minutes and spray with clean cloth or sponge. If spotting occurs, wipe with moist cloth or sponge. If necessary, repeat every three months or when odor, staining, and discoloration due to bacteria, mold, mildew, or stainless steel return.

**Air Filters and Filter material for furnaces, air conditioners, air purification systems, automobiles, redating air handling systems and vacuum cleaner filters:**

**SPRAY:** When treating filters, remove filter from unit. Shaker well. Using trigger pump sprayer, spray entire surface area 6” - 9” from the surface making sure the surface is completely covered. Let stand until dry. If spotting occurs, wipe with moist cloth or sponge. If necessary, repeat every three months or when odor, staining, and discoloration due to bacteria, mold, mildew, or stainless steel return.

**Carpets:** Apply to clean carpet. Shaker well. Using trigger pump sprayer, spray entire surface area 6” - 9” from the surface making sure the surface is completely covered. For rotary jet extraction cleaners and carpet steamers, add product directly to cleaning tank, then operate the equipment in accordance with manufacturer’s instructions. Apply product at least weekly. If spotting occurs, wipe with moist cloth or sponge. Stop spraying and color-fastness of fabric by treating and drying a small concealed area prior to application. Mold Blocker treats approximately 200 sq. ft. per gallon. When treating carpet substances (e.g., wool carpeting), new Mold Blocker may be required to be absorbed. Dry carpet areas and surfaces before re-entry. Air may be used to assist in drying carpets. Remove children and pets from treated area until completely dry. If necessary, repeat every three months or when odor, staining, and discoloration due to bacteria, mold, mildew, or stainless steel return.

**STORAGE AND HANDLING:** Nonrefillable container. Do not reuse this container. Offer for recycling, if available.
