Flea & Tick Squeeze-On for Dogs

Sergeant's EVOLVE® 61 lbs and over

For use only on dogs 12 weeks of age or older

For Dogs Weighing 61 lbs and Over:

1. Remove product tubes from the package. Separate one tube from the pack. Place in trash or offer for recycling if available. Call your local solid waste service for disposal instructions in your community.

2. Firmly apply all of the solution to the dog's skin, as directed below. Repeat 24 hours after initial application to enhance control.

Directions for Use:

Apply one tube (6.0 mL) from the back of the neck to a point on the mid back of tail. The application point should be as close to the neck as possible to ensure maximum effectiveness.

3. Apply the solution to the dog's skin at the application point. As with all flea and tick control products, Sergeant's EVOLVE® 61 lbs and over should be used as part of a program aimed at reducing flea populations in the dog's environment (bedding, carpets, kennel, yard).

Hazards to Humans and Domestic Animals:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Precautionary Statements:

Keep out of reach of children.
