KEEP OUT OF REACH OF CHILDREN
DANGER

For additional first aid, precautionary handling and use statements, refer to other panels on this box or the label included inside box.

U.S. Patents: 5490983, 6548057
Other US and International Patents Pending.

Net Contents: 1 Cartridge (6g of HaloPure BR)

• Removes objectionable taste and odors
• Outperforms water pitchers that lack antimicrobial power
• Cartridge inhibits spoilage to prolong filter life
• Inhibits the growth of non-public health bacteria in the reservoir
• Reduces organic contaminants

FIRST AID
IF IN EYES
Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF SWALLOWED
Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by poison control center or doctor. Do not give anything to an unconscious person.

IF ON SKIN OR CLOTHING
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED
Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

HOTLINE NUMBERS
Have the product container or label with you when calling a poison control center or doctor or going for treatment. Call CHEMTREC at 1-800-424-9300 (Domestic, North America) or +1-703-527-3887 (International, collect calls accepted). To remedy a medical treatment recommendation or additional emergency information, call the National Pesticides Information Center at 1-800-858-7378, 6:30 AM to 4:30 PM Pacific Time (PT), seven days a week. During other times, call the poison control center 1-800-222-1222.

For additional emergency information, call the National Pesticides Information Center at 1-800-858-7378, 6:30 AM to 4:30 PM Pacific Time (PT), seven days a week. During other times, call the poison control center 1-800-222-1222.

The HaloPure Bacteriostatic Pitcher Cartridge is a bacteriostatic water treatment cartridge for use in point-of-use drinking water pitchers. The cartridge is only for use in drinking water pitchers that treat potable water or municipal water treated in accordance with the Safe Drinking Water Act.

The cartridge removes objectionable tastes and odors from drinking water. The cartridge inhibits spoilage and the growth of odor-causing bacteria in the cartridge to prolong the life of the filter. The cartridge inhibits the growth of non-public health bacteria within the water cartridge and reservoir. The cartridge keeps water fresh in storage by inhibiting odor-causing bacteria from fouling the water.

The HaloPure Bacteriostatic Pitcher Cartridge is designed to treat water that has been pretreated by devices that reduce organic matter content in water, such as reverse osmosis units and filters, prior to treatment by the HaloPure Bacteriostatic Pitcher Cartridge. When used with devices that reduce organic matter, the HaloPure Bacteriostatic Pitcher Cartridge may also be used with water conditioners, coolers and various other water treatment devices. Do not use the HaloPure Cartridge with any drinking water treatment devices employing ozone or hydrogen peroxide. This product is not designed to treat salt water, waste water, or raw, untreated water, and is not a drinking water purifier.

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**

**FIRST AID**

**IF IN EYES**
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

**IF SWALLOWED**
- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything to an unconscious person.

**IF ON SKIN OR CLOTHING**
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

**IF INHALED**
- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

**HOTLINE NUMBERS**

Have the product container or label with you when calling a poison control center or doctor or going for treatment. Call CHEMTREC at 1-800-222-1222 (Domestic, North America) or +1-703-527-3887 (International, collect calls accepted) for emergency medical treatment information. For additional emergency information, call the National Pesticides Information Center at 1-800-858-7378, 6:30 AM to 4:30 PM Pacific Time (PT), seven days a week. During other times, call the poison control center at 1-800-424-9300 (Domestic, North America) or +1-703-527-3887 (International, collect calls accepted) for emergency medical treatment information. For further guidance, contact your State Water Board or Regional Office of the EPA.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. Wastes resulting from the use of this product must be disposed of onsite or at an approved waste disposal facility.

**PESTICIDE STORAGE:** Store in a cool, dry place. Keep pesticide container closed when not in use. Avoid contact with strong oxidizing agents and other chemicals. Avoid excessive heat.

**PESTICIDE DISPOSAL:** Securely wrap cartridge and dispose in a sanitary landfill, or by other approved state and local procedures. Nonrefillable container. Do not reuse or refill this container. DO NOT incinerate or burn the cartridge.

- • Avoid direct exposure to the bead material sealed inside the cartridge. The bead material is a bromine pesticide.
- • The cartridge contains a corrosive pesticide, bromine. Do not handle or eat bead material inside of cartridge.
- • Dispose of used cartridge properly. Do not burn cartridge.
- • Do not tamper with or open the cartridge.

**WARRANTY**

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with label directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such use.

US PATENTS: 5,490,983 and 6,548,054
Other US and International Patents Pending.
