Pestfighter® Snail & Slug Mini Pellets

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing dust. Avoid contact with eyes, skin or clothing. Wear chemical resistant gloves made of waterproof material when applying this product. Wash hands with soap and water after handling and before eating and smoking. This pesticide may be fatal to dogs or other pets if eaten. Dogs may be attracted to this bait. Confine pets during application to prevent them from believing they are being fed. Keep pets out of treated area when bait is present.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treated area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help prevent run off to water bodies or drainage systems.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read entire label. Use in accordance with precautionary statements and directions for use.

For Home Garden Use only.

MASTER NURSERY® Snail & Slug Mini Pellets is a soil surface treatment for control of snails and slugs in vegetable crops and gardens, ornamental gardens, and turfgrass lawns. When applied as directed, MASTER NURSERY® Snail & Slug Mini Pellets will withstand rain and sprinkling and will offer protection to gardens and lawns for several weeks.

USE PRECAUTIONS

Read entire label before using. Use only as a baiting treatment to be applied directly to the soil area beneath plants as listed on this label. DO NOT allow bait pellet to come in contact with parts of plant that may be used for food or feed purposes. MASTER NURSERY® Snail & Slug Mini Pellets should not be applied to dry soil. Applications should be made following an irrigation for best results. DO NOT re-water for 48 hours after application. Apply any time of day, but evening applications are preferred.

APPLICATION INFORMATION

For control of snails and slugs in the following areas, use 1 lb. to treat 4400 sq. ft. of soil surface. For smaller areas, use one level teaspoon per square yard. Apply when first plant damage appears or is anticipated and repeat as needed for control.

VEGETABLE CROPS AND GARDENS such as Artichoke, Asparagus, Beans, Beets, Blackeyed Peas, Broccoli, Brussels Sprouts, Cabbage, Cantaloupe, Cucumbers, Eggplant, Endive, Garlic, Ginseng, Horseradish, Kale, Kohlrabi, Leeks, Lettuce, Melons, Mustard Greens, Okra, Onion, Parsnips, Peas, Peppers, Pimentos, Potatoes, Pumpkins, Radishes, Rhubarb, Rutabagas, Salsify, Shallots, Spinach, Squash, Sweet Potatoes, Swiss Chard, Tomatoes, Turnips, and Watermelons: Apply only to soil surface.

FRUIT TREE CROPS such as Apples, Apricots, Avocados, Cherries, Citrus (Oranges, Lemons, Grapefruit, etc), Peaches and Pears: Broadcast under trees.

BERRY CROPS such as Blackberries, Boysenberries, Loganberries, Raspberries and Strawberries: Apply only to soil surface.

TURFGRASS LAWNS: Broadcast this product directly and evenly.

ORNAMENTAL PLANTS - ORNAMENTAL GARDENS, PLANTED BORDERS AND GROUND COVERS such as Azaleas, Begonias, Camellias, Chrysanthemums, Daffodils, Daisies, Geraniums, Honeysuckle, Hydrangeas, Ice Plant, Impatiens, Iris, Marigolds, Pansies, Petunias, Rhododendrons, Rose, Sweet Peas, Snapdragons, Spathiphyllum, and Tulips: Broadcast or sprinkle this product evenly over the infested areas and along edges of flower beds adjacent to border or ground cover plants. Also apply on ground at base of fences and walls in shady protected locations. This product may be injurious to Daylilies and Clematis. Do not use on these plants.

STORAGE AND DISPOSAL Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store product in original labeled container in a cool, dry, locked place out of reach of children. Keep container tightly closed when not in use. Do not store in direct sunlight.

CONTAINER DISPOSAL: If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

If partly filled: call your solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

CONDITIONS FOR SALE:

Important: Read these entire directions and conditions of sale before using MASTER NURSERY® Snail & Slug Mini Pellets. Disclaimer: Manufacturer warrants that this product conforms to the chemical description on the label and is reasonable fit for specific purposes referred to in directions for use, subject to the inherent risks referred to above. Manufacturer makes no other expressed or implied warranty. In no case shall manufacturer be liable for consequential, special or indirect damage resulting from the use or handling of this product.
