CAUTION KEEP OUT OF REACH OF CHILDREN

Plant Protection

1 Quart (0.94 Liters)

Ready To Use

Mildew Cure[®]

Mildew Cure[®] is an organic, botanical based fungicide for the control of powdery mildew on a variety of plants. Mildew Cure[®] is made from all natural, food grade materials so it is ideal to use on vegetables and other plants.

DIRECTIONS FOR USE: SHAKE WELL BEFORE USE

Apply enough to cover the entire surface of infested plant. Repeat application at 7-10 day intervals as needed. Coverage is essential to establish control. Do not apply to seedlings or very young plants. Mildew Cure[®] is suitable for most plants. Always test a small area before large scale application.

STORAGE AND DISPOSAL: Store in a cool, dry place. Dispose of properly.

PRECAUTIONARY STATEMENTS Avoid contact with skin, eyes or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. These ingredients are exempt from registration with the Federal EPA under section 25 (b) of FIFRA. Mildew Cure[®] has not been registered with the Environmental Protection Agency. Safergro represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.
