**EcoSMART**<sup>®</sup>  **MOSQUITO  
FOGGER**  
ORGANIC<sup>™</sup> INSECTICIDE

Now there is an organic insecticide that is safe to use around children and pets and won't harm the environment. EcoSMART Organic Mosquito Fogger is made from a patented blend of organic plant oils. It kills fast and repels mosquitoes and other nuisance flying insects for hours, without any synthetic toxins or harmful residue. It's safe. It's effective. It's smart. Naturally.

FRESH NATURAL SCENT SIGNALS IT'S WORKING.

**DIRECTIONS FOR USE:**

**SHAKE WELL BEFORE USING. READ ENTIRE LABEL AND USE ACCORDINGLY.  
FOR USE OUTDOORS.**

**FOGGER TREATMENT:** Kills and repels mosquitoes, flies, gnats, moths and other flying insects. Hold container upright and aim nozzle away from person. Press button firmly to spray. Spray with a slow, sweeping motion. For best results, spray when air is calm and work backwards to avoid drift. Spray with wind if breeze is blowing. Spray areas infested with these flying insects. To create barriers to open areas, direct spray toward bushes, shrubs and grassy areas from at least 4 to 6 feet away. Give special attention to breeding areas such as garbage cans and compost piles. Contact as many insects as possible. Allow a few minutes for product to take effect. Repeat as necessary.

To reduce annoyance from flying insects, treat open porches, decks, patios, screens, and other areas where these pests may alight or congregate in a similar manner. Repeat as necessary. When spraying hard surfaces, be careful to avoid excess residues which may be slippery.

**PRECAUTIONARY STATEMENTS:** Caution - We recommend good safety practices when using any pesticide, such as avoiding contact with eyes and skin and keeping out of the reach of children. If product gets in eyes, flush with water. If on skin, wash with soap and water. If irritation persists, contact a physician.

**PHYSICAL HAZARDS:** Contents under pressure. Keep away from heat, sparks and open flames. Do not puncture or incinerate container. Exposure to temperatures above 130° Fahrenheit can cause container to burst.

**STORAGE AND DISPOSAL:** Store in a cool, dry area away from heat or open flame. When container is empty, recycle if available. Do not puncture or incinerate.

**LIMITATION OF LIABILITY:** To the extent consistent with applicable law, EcoSMART makes no warranties of merchantability or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label, directions and precautionary statements.

This product has not been registered by the United States Environmental Protection Agency. EcoSMART Technologies, Inc. represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.
