## FAST-ACTING WEED & GRASS KILLER CONCENTRATE

Net Contents: 1 quart (32 fl. oz.)

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**USE PRECAUTIONS:** Read the entire label before using this product. **IMPORTANT:** Safer® Brand Fast-Acting Weed & Grass Killer Concentrate is a general contact herbicide and will damage or destroy all vegetation which it contacts. Shield grass and desired plants carefully during use to avoid damage to these plants. Avoid overspray or spray drift onto desirable lawn grass, flowers, vegetables, garden plants, shrubs, or trees. If desired vegetation is contacted, wash immediately with water. Keep people and pet off treated areas until dry. Do not apply during windy conditions that will carry spray onto desired vegetation.

**MIXING INSTRUCTIONS:** Shake well. Dilute 32 ounces (4 cups) Safer® Brand Fast-Acting Weed & Grass Killer Concentrate with 1.25 (one and one-quarter) gallons of water to prepare a working solution of 1.5 (one and one-half) gallons.

**USE INSTRUCTIONS:** Use for spot treatment of weeds. Ensure uniform and complete coverage of all types of unwanted vegetation. **VISIBLE EFFECTS USUALLY OCCUR WITHIN FOUR HOURS.** Only those plants or plant parts directly contacted by the herbicide spray will be damaged. *(continued)*

**DIRECTIONS FOR USE: (continued)**

**WEEDS:** For best results, apply to weeds during early periods of growth. Herbicidal action is rapid with effects visible within hours. The speed at which Safer® Brand Fast-Acting Weed & Grass Killer Concentrate works is affected by climatic conditions. For most rapid kill, apply in warm, dry weather. Weeds may show signs of regrowth within one to two weeks. Re-treat when weed growth becomes evident. Safer® Brand Fast-Acting Weed & Grass Killer Concentrate will control most young, succulent, and actively growing weeds (less than 5" high). Several treatments may be necessary to control grasses and established weeds. Maturing (flowering) or woody weeds are less susceptible and may not be killed. Safer® Brand Fast-Acting Weed & Grass Killer Concentrate will not kill all perennial weeds but will result in top kill and suppression. Weeds and grasses emerging after application, and regrowth from perennial weeds after top kill will not be controlled without reapplication.

Safer® Brand Fast-Acting Weed & Grass Killer Concentrate is non-selective and non-residual. The herbicidal effect of Safer® Brand Fast-Acting Weed & Grass Killer Concentrate will not move through soil to injure nearby plants. Treated areas can be sown two days after application.

Safer® Brand Fast-Acting Weed & Grass Killer Concentrate may cause a white residue on some types of brickwork or concrete. This residue will wear off after a few weeks. A dilute solution of vinegar can be used to remove the residue.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING:** Harmful if absorbed through skin. Causes substantial but temporary eye injury. Do not get in eyes, on skin or clothing. Wear safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

**FIRST AID**

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-858-7378 for emergency medical treatment.

**ENVIRONMENTAL HAZARDS:**

This product is hazardous to aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of rinsate.

**STORAGE AND DISPOSAL:**

**PESTICIDE STORAGE:** Store only in original container in a cool, dry area inaccessible to children and pets. Do not store full or partial containers in direct sunlight. Keep container tightly sealed when not in use.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Non-refillable container. Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling if available. **If Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**Note:** Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
