WHERE TO USE
Use as a contact spray for controlling flying pests in and around farm buildings such as barns, stables, milking parlors, dairies, calf houses, pigpens, poultry houses, warehouses, stores, feedrooms, farm offices, farmhouses, slaughter houses and other associated areas where insect control is necessary. Product use permitted in other areas or facilities when product is used according to label directions.

DIRECTIONS FOR USE
Read entire label prior to use and use product as directed. Shake well before using. Hold product upright with nozzle directed away from face. For best results, spray insect thoroughly until wet. Product may be used on countertops, food preparation areas, in and around appliances, cabinets, and along baseboards, door and window frames. Reapply as often as needed. Do not apply on or around electrical wiring. Treated surfaces may be slippery when wet. Clean up excess material. This product may own porous or unsealed surfaces. Prior to use, spray a small inconspicuous area to determine if staining will occur.

PHYSICAL HAZARDS
Flammable. Contents under pressure. Keep away from heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause container to burst.

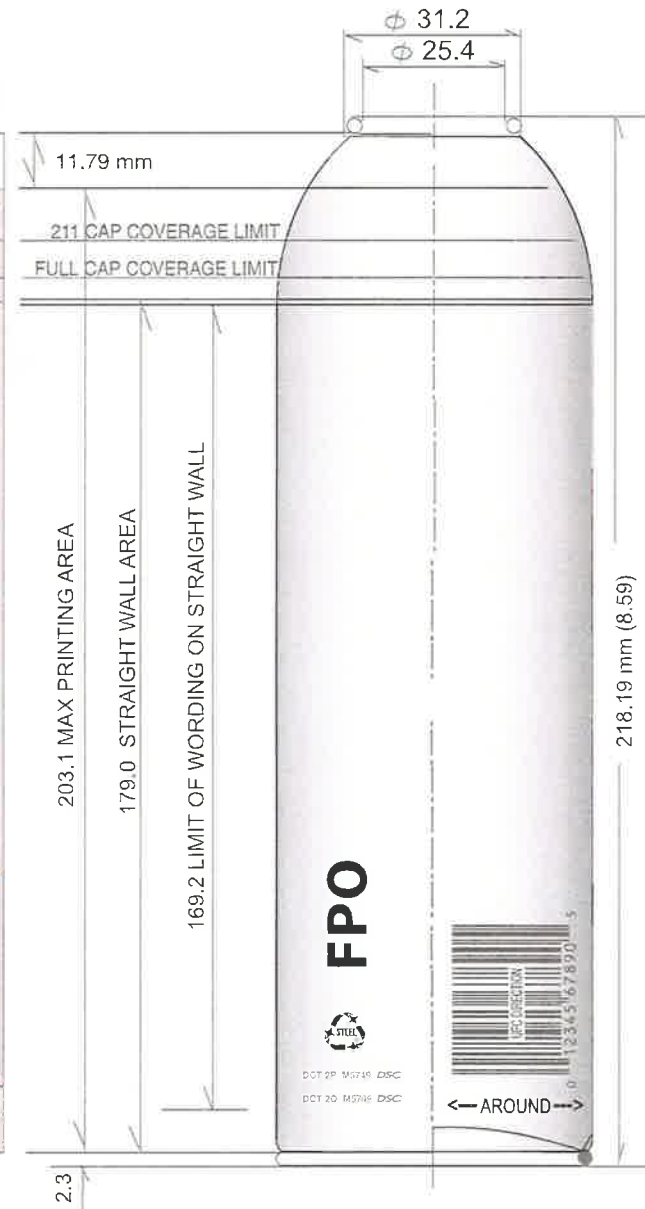

FIRST AID
If in eyes: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. If on skin, wash thoroughly with soap and water. If inhaled: Move affected person(s) to fresh air. If respiratory issues result: call with water and contact a doctor for treatment advice. If irritation develops, consult a doctor or poison control center for treatment advice. Have the product label or container with you when calling a doctor or going for treatment.

STORAGE AND DISPOSAL
Do not puncture or incinerate container. Store at room temperature away from heat, sparks or open flame. Do not expose to heat or store at temperatures above 130°F. Do not reuse or refill this container.
When container is empty, recycle if available or dispose of in the trash.
This product has not been registered by the United States Environmental Protection Agency. TriaTech Inc. represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.

PRECAUTIONARY STATEMENTS
With direct contact, may cause moderate eye irritation. Wash thoroughly with soap and water after handling. Avoid contact with eyes, skin, clothing or plants.
