- + Cleans & Deodorizes
- + Ultra Soft Wipes to Comfort Your Pet
- + Free of Plastic Resins
- + Durable, Long-Lasting Material
- + Tear Resistant & Pre-Moistened
- + Pleasant Scent, No Added Fragrance

DIRECTIONS FOR USE: READ ENTIRE LABEL BEFORE EACH USE AND USE ONLY IN ACCORDANCE WITH LABEL INSTRUCTIONS. KEEP CONTAINER SECURELY CLOSED WHEN NOT IN USE.

BEFORE FIRST USE: Remove lid to pull out wipe from center of roll. Replace lid and thread wipe through hole opening. Always close lid after use to retain moisture.

For Dogs and Cats 12 Weeks or Older: Wipe across the pet's coat until damp making sure to avoid the eyes, mouth and genitals. For best results, part the coat to apply product. Massage the pet's coat so the product reaches the skin. Apply to pet's entire coat including paws, legs, tail and stomach. Repeat as necessary. Pets may be treated indoors or outdoors. In order to help reduce the occurrence of fleas and ticks, this product is best used year round and when combined with other Vet's Best® products for pet, home and yard.

For Hard Surfaces, Base Boards, Pet Bedding or Collars: This product is designed to be non-staining when used as directed; however, always wipe a small amount onto an inconspicuous area to test for colorfastness before treating. Wipe surfaces uniformly, leaving behind a light coating. Avoid soaking. Discard wipe immediately after use. Wipes not recommended for use on fine furniture.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

HUMANS: Causes moderate eye irritation. Wash hands thoroughly with soap and water after use. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals. For external use only.

DOMESTIC ANIMALS: Sensitivity may occur after use of any product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs of sensitivity continue, consult a veterinarian immediately. Not recommended for use on pregnant or nursing animals. For external use only.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye. If irritation persists, contact a physician.

IF ON SKIN: Wash with soap and water and repeat if necessary.

INHALATION: Remove to fresh air. **INGESTION:** Immediately drink plenty of water. Do not induce vomiting. If symptoms persist, contact a physician.

Storage: Store only in original container in a cool, dry area inaccessible to children.

Disposal: In accordance with all Federal, State and Local regulations. Do not refill or reuse this container.

The Bramton Company represents that this product qualifies for Exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This product has not been registered by the United States Environmental Protection Agency.
