For emergency information concerning this product, call the National Poison Information Center (NPC) at 1-800-222-1222 seven days a week, 24 hours a day (Local Time) for the NPC website www.w.cdc.gov

PHYSICAL OR CHEMICAL HAZARDS: Flammable. Keep away from heat or open flame.

STORAGE AND DISPOSAL: Do not contaminate water sources or soil with empty or discarded product containers.

PESTICIDE STORAGE: Always store this product and all pesticides in a cool, dry place. Store out of the reach of children.

PESTICIDE DISPOSAL: Wastewater resulting from the use of this product must be disposed of on an as approved manner.
CONTAINER DISPOSAL: Noncompatible container content destroy the container. Offer for recycling if available or dispose of in the original container. If a leaky container must be contained within a non-leaking container before disposal.

COEfect MinuteWipes is intended for use in:
• Hospitals and healthcare settings, including: Ambulance, Anesthesia, Cafeteria, Central Supply, Ctr. Ultrasound, Dialysis Clinics, Doctor’s Office, Emergency Rooms, ESR, Food Service and Food Preparation Areas, Home Health Care, Hospitals, Laboratory, Laundry Rooms, Long Term Care Facilities, Nephrology, Nursing Homes, Offices, Operating Rooms, Pedicure, Physical Therapy, Physicians’ Offices, Ophthalmic Office, Operating Room, Rehabilitation, Respiratory Therapy, Ultrasound, Transport Vehicles, Waiting Areas, X-Ray
• Clinics
• Laboratories, Animal Transportation Vehicles, Breeding Establishments, Schools, Transportation Terminals.
• Critical Care Areas (CCU), Cardiac Care Units, Emergency Rooms (ER), Intensive Care Units (ICU), Neonatal Intensive Care Units (NICU), Respiratory Therapy, Ultrasound, Transport Vehicles, Waiting Areas, X-Ray
• Doctors Office(s), Emergency Rooms (ER), Food Service and Food Preparation Areas, Laboratory, Laundry Rooms, Long Term Care Facilities, Nephrology, Nursing Homes, Offices, Operating Rooms, Pedicure, Physical Therapy, Physicians’ Offices, Ophthalmic Office, Operating Room, Rehabilitation, Respiratory Therapy, Ultrasound, Transport Vehicles, Waiting Areas, X-Ray

COEfect MinuteWipes has an effective virucide on non-porous surfaces, in the presence of an organic load against Parainfluenza 1 [E111F2/10] [ATCC VR-1496], Poliovirus type 1 [ PV-1433], Pseudomonas aeruginosa [ATCC 15442], Staphylococcus aureus [ATCC 33637], Enterococcus faecalis [ATCC 35924], Serratia marcescens [ATCC 8736], Staphylococcus aureus [ATCC 6538], Streptococcus pyogenes [ATCC 19615], Salmonella enterica [ATCC 13311], Methicillin resistant Staphylococcus aureus [ATCC 10962], Klebsiella pneumoniae [ATCC 12802], Listeria monocytogenes [ATCC 994], Acinetobacter baumannii [ATCC 19609], Citrobacter freundii [ATCC 8438], and Enterobacter cloacae [ATCC 23452], when the treated surface is allowed to remain wet for one (1) minute. Allow surfaces to dry.

BACTERIOCIDAL:
COEfect MinuteWipes is an effective bactericide on non-porous surfaces, in the presence of an organic load against Escherichia coli [E. coli O111:11] [ATCC BCC 1075], Pseudomonas aeruginosa [ATCC 15442], Enterococcus faecalis [ATCC 35924], Staphylococcus aureus [ATCC 6538], Streptococcus pyogenes [ATCC 19615], Streptococcus pneumoniae [ATCC 12802], Listeria monocytogenes [ATCC 994], Acinetobacter baumannii [ATCC 19609], Citrobacter freundii [ATCC 8438], and Enterobacter cloacae [ATCC 23452], when the treated surface is allowed to remain wet for one (1) minute. Allow surfaces to dry.

FUNGICIDAL:
COEfect MinuteWipes is an effective fungicide against Cryptococcus neoformans [ATCC 1305], causative agent of Meningitis. For example, when used as directed on direct hard surfaces found in bathrooms, shower stalls, toilet bowls, washbasins, or employ equipment until treatment has been absorbed, set or dried. Store original container and product in a clean dry place. Do not use on porous or low density surfaces. Use on non-porous surfaces, in the presence of an organic load, against Mycobacterium avium [ATCC 21474], when the treated surface is allowed to remain wet for one (1) minute. Allow surfaces to dry.

COEfect MinuteWipes is an effective Virucide, Bactericide, Fungicide and Tuberculocide in the presence of Organic Soil.

KILLS HIV-1, HBV AND HCV ON PRE-CLEANED ENVIRONMENTAL SURFACES/OBJECTS PREVIOUSLY SOILED WITH BLOOD/BODY FLUIDS IN healthcare settings (Hospitals, Nursing homes) in other settings in which there is an expected likelihood of soiling of inanimate surfaces/objects with blood or body fluids — and in which the soiled surfaces likely to be soiled with blood or body fluids can be associated with the potential for transmission of Human Immunodeficiency Virus Type 1 (HIV-1) associated with AIDS, Hepatitis B Virus (HBV) and Hepatitis C Virus (HCV).

SPECIAL INSTRUCTIONS: Disinfectant and surfactant decontaminates H1N1, LEM and H7N9 for surfaces or objects soiled with blood or body fluids.

PERSONAL PROTECTION: When handling soiled with blood or body fluids, non-porous surfaces or gloves, gowns, masks and eye coverings.

CLEANING PROCEDURE: Blood and other body fluids must be removed from soiled surfaces and objects before application of COEfect MinuteWipes.

CONTACT TIME: Allow surfaces to remain wet for one (1) full minute.

DISPOSAL OF INFECTIOUS MATERIALS: Blood and other body fluids should be autoclaved and disposed of in accordance with local regulations for infectious waste disposal.

DISINFECTING INSTRUCTIONS: To disinfect COEfect MinuteWipes: Open cap, remove entire cover, remove and discard. From center of wipes roll, pull up a corner at a 45° angle from the container cover. Pull roughly about one (1) inch. Remove cover. Cover container tightly and pull the wipe off at a 45° angle. Remove cover for disinfectant, easily for next use. When not in use, keep the tip of the exposed wipe inside the cover and the flaps closed. No warranty, either expressed or implied, is given to the usage of this product as a disinfectant or as a deodorizer.

Veterinary Clinics, Animal Life Science Laboratories, Pet Shampoo: Remove all rinses and feed from premises, veterinarians, veterinary, remove all rinses and feed containing fluids, wastes, and other waste materials from floors, walls and surfaces of facilities and fixtures occupied or traversed by animals. Remove all rinses and feed from premises, veterinarians, veterinary, remove all rinses and feed containing fluids, wastes, and other waste materials from floors, walls and surfaces of facilities and fixtures occupied or traversed by animals. Remove all rinses and feed from premises, veterinarians, veterinary, remove all rinses and feed containing fluids, wastes, and other waste materials from floors, walls and surfaces of facilities and fixtures occupied or traversed by animals. Remove all rinses and feed from premises, veterinarians, veterinary, remove all rinses and feed containing fluids, wastes, and other waste materials from floors, walls and surfaces of facilities and fixtures occupied or traversed by animals.
