DIRECTIONS FOR USE

For use as a Multi-Surface Cleaner/Disinfectant or Restroom Cleaner/Disinfectant:

1. Preclean heavily soiled areas.
2. Apply by coarse trigger sprayer to hard, non-porous surfaces. Spray 6-8 inches from the surface; making sure to wet surfaces thoroughly. All surfaces must remain wet for the required time indicated in the directions for use. Wipe surfaces dry with a sponge, mop, or cloth (or allow to air dry). Rinsing is not necessary on non-food contact surfaces. Do not use this product on food contact surfaces. For use as a Virucide:

1. Preclean heavily soiled areas.
2. Apply by coarse trigger sprayer to hard, non-porous environmental surfaces. Spray 6-8 inches from the surface; making sure to wet surfaces thoroughly. All surfaces must remain wet for the required time indicated in the directions for use. Wipe surfaces dry with a sponge, mop, or cloth (or allow to air dry). Rinsing is not necessary on non-food contact surfaces. Do not use this product on food contact surfaces.

SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV-1 ON SURFACES/OBJECTS

SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV-1 ON SURFACES/OBJECTS

SOILED WITH BLOOD/BODY FLUIDS:

1. Preclean heavily soiled areas.
2. Apply by coarse trigger sprayer to hard, non-porous environmental surfaces. Spray 6-8 inches from the surface; making sure to wet surfaces thoroughly. All surfaces must remain wet for the required time indicated in the directions for use. Wipe surfaces dry with a sponge, mop, or cloth (or allow to air dry). Rinsing is not necessary on non-food contact surfaces. Do not use this product on food contact surfaces.

Cleaning Procedure:

1. Preclean heavily soiled areas.
2. Apply by coarse trigger sprayer to hard, non-porous environmental surfaces. Spray 6-8 inches from the surface; making sure to wet surfaces thoroughly. All surfaces must remain wet for the required time indicated in the directions for use. Wipe surfaces dry with a sponge, mop, or cloth (or allow to air dry). Rinsing is not necessary on non-food contact surfaces. Do not use this product on food contact surfaces.

Pesticide Disposal:

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

STORAGE & DISPOSAL

For use as a Multi-Surface Cleaner/Disinfectant or Restroom Cleaner/Disinfectant:

Store in accordance with local regulations for infectious waste disposal.

For use as a Virucide:

Store in accordance with local regulations for infectious waste disposal.

Personal Protection:

CAUTION:

This product is ready to use, no further dilution is required. Pre-Clean heavily soiled areas. Apply by coarse trigger sprayer to hard, non-porous surfaces. Spray 6-8 inches from the surface; making sure to wet surfaces thoroughly. All surfaces must remain wet for the required time indicated in the directions for use. Wipe surfaces dry with a sponge, mop, or cloth (or allow to air dry). Rinsing is not necessary on non-food contact surfaces. Do not use this product on food contact surfaces. For use as a Virucide:
