NET CONTENTS:
1 GAL (128 FL OZ) 3.78 L

ACTIVE INGREDIENTS
Alkyl (60% C14, 30% C16, 5% C12, 5% C18) dimethyl benzyl ammonium chlorides.......... 0.15%
Alkyl (68% C12, 32% C14) dimethyl ethylbenzyl ammonium chlorides................. 0.15%
INERT INGREDIENTS:.................................... 99.70%
TOTAL: ......................................................... 100.00%
DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. DISINFECTING, DEODORIZING: Remove gress fifth or heavy soil prior to application of the product. Apply product with a low pressure coarse sprayer. Hold sprayer six to eight inches from the surface to be treated. Spray area until it is covered with the product. Allow surface to remain visibly wet for 2 minutes. No scrubbing necessary. Allow treated surfaces to air dry or wipe off with a clean cloth. When using on hard, contact surfaces, counter tops, glass, metal, porcelain, fabric, and tiles, allow treated surfaces to remain visibly wet for 2 minutes. If the treated surface is allowed to remain wet for 2 minutes, spray off with a clean cloth or sponge. 

This product is effective against Poliovirus Type 1 when the treated surface is allowed to remain wet for 2 minutes. This product is effective against Rhinovirus when the treated surface is allowed to remain wet for 2 minutes.

CAUTION: This product is not to be used as a terminal sterilant/high-level disinfectant on any surface or instrument that (1) is used on inanimate surfaces that are not ordinarily penetrated by blood or body fluids, but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. 

When handling items soiled with blood or body fluids, use disposable latex gloves, gowns, masks and eye coverings. 

FIRST AID: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. 

IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15–20 min. DO NOT rub eye. 

IF INSEDIMENT: Consult a physician and seek medical treatment. 

STORAGE AND DISPOSAL: Store in a cool dry place. Properly dispose of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of in accordance with local regulations for hazardous waste disposal, they must be rendered harmless by incineration or by any other method judged to be appropriate. Hazardous Waste representative at the nearest EPA Regional Office for guidance.
