See inside for complete Precautionary Statements, Directions for Use, Conditions of Sale and Warranty, and state-specific crop and/or use site restrictions.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or going to the toilet.

Personal Protective Equipment (PPE)

All mixers, loaders, applicators, and other handlers must wear long-sleeved shirt, long pants, shoes plus socks.

Workers performing cleaning, maintenance, and repair of equipment must wear: coveralls over long-sleeved shirt, long pants, shoes plus socks, and chemical-resistant gloves made of barrier laminate, butyl rubber ≥ 14 mils, nitrile rubber ≥ 14 mils, neoprene rubber ≥ 14 mils, natural rubber ≥ 14 mils, polyethylene, polyvinyl chloride (PVC) ≥ 14 mils, or silicon ≥ 14 mils.

Follow manufacturer’s instructions for cleaning and maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

**ENVIRONMENTAL HAZARDS**

This product is toxic to birds, mammals, fish and aquatic invertebrates. Do not contaminate water when disposing of equipment washwater or rinsate. Do not plant treated seeds by broadcasting to the soil surface. Ensure that all seeds are thoroughly covered with soil. Treated seed exposed on soil surface may be hazardous to wildlife. Cover or collect treated seeds spilled during loading.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

**PESTICIDE STORAGE:** Store in original container away from feed and food. Store in cool, dry place. Do not store in direct sunlight.

**PESTICIDE DISPOSAL:** Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. If these wastes cannot be used according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance in proper disposal methods.

**CONTAINER HANDLING AND DISPOSAL:** Non-refillable container (greater than 5 gallons). Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and tilt it back and forth several times. Stand the container on its end and tilt it back and forth several times. Turn the container over onto its other side and tip it back and forth several times. Empty the rinsates into application equipment or a mix tank or store rinsates for later use and disposal. Repeat this procedure two more times. Pressure rinse as follows: Empty the remaining contents into application equipment or a mix tank and continue to drain for 30 seconds after the flow begins to drip. Fill the container upside down over application equipment or mix tank or place container in an approved waste disposal facility. If these wastes cannot be used according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance in proper disposal methods.
