**DIRECTIONS FOR USE**

**STORAGE AND DISPOSAL.**

Dispose in a sanitary landfill.

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, followed by ingestion, may cause death. In case of accidental contact with skin, wash immediately with soap and water or other suitable cleanser. If swallowed or inhaled, call a poison control center or doctor for further treatment advice. Do not induce vomiting unless told to do so by the poison control center or doctor.

**PERSONAL PROTECTION.**

Avoid contact with skin and eyes. wash your hands after handling. Use protective clothing, face, glove, and eye protection when mixing and applying. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

**FOLLOWING POROUS AND SEMI-POROUS MATERIALS.**

Carpets, carpet cushions and other porous materials such as sub floors, drywall, trim, and frame lumber, tacks, and strip. Mix 2 ounces of CLUBZ ALL IN per gallon of water, saturate affected materials with enough use-solution to remain wet for at least 10 minutes. Use proper ventilation.

**SPECIAL INSTRUCTIONS FOR CLEANING AND DECONTAMINATION AGAINST HIV-1, HBV AND HCV ON ENVIRONMENTAL SURFACES.**

**TRANSPORTATION VEHICLES, CRATES, ETC.**

Remove all litter, droppings and manure from floors, walls and surfaces or objects in contact with these. Keep all food and feed away from areas occupied or traversed by animals. Thoroughly clean all surfaces with soap or detergent and rinse with water. For use on wet cleanable synthetic fibers, do not use on wool. Test colorfastness of carpet at a rate of 300-500 sq. ft. per gallon. For use on washable synthetic fibers. Do not use on wool. Test colorfastness of carpet before application of CLUBZ ALL IN.

**FOR HOME, HOSPITAL, INSTITUTIONAL & INDUSTRIAL USE.**

This product, when used on environmental, inanimate, hard, non-porous surfaces, is effective against odor causing bacteria and fungi in institutional, industrial and hospital use.

**KEEP OUT OF REACH OF CHILDREN**

**FIRST AID**

In case of eye contact, flush eyes with a solution containing 100 parts of water to 1 part of baking soda for 15 minutes or until irritation subsides. In case of contact with skin, wash immediately with soap and water or other suitable cleanser. If swallowed, give 1 to 2 ounces of CLUBZ ALL IN per gallon of water. Follow the Injection and/or Extraction procedures as specified for any conventional cleaning method.
