HOW SUPPLIED

Each package contains sufficient tubes for 3 MONTH SUPPLY.

DIRECTIONS FOR USE:

1. OPEN:

Insert the appropriate tube for your dog/puppy into the applicator, close it and squeeze to release the liquid onto the skin.

2. APPLY:

Apply the liquid to each application site. Do not allow your dog/puppy to ingest this product. Apply this product according to the instructions on this product label.

3. CLOSE:

Close the red door and drop the empty tube into trash or offer for recycling, if available.

4. DISPOSE:

If empty:

• Lift open red door.

5. STORAGE and DISPOSAL:

- Destroy used or unused portions (10 WEEKS OF AGE OR OLDER)
- For external use only. Caution: Avoid direct contact with eyes or clothing, head hairs thoroughly with soap and water after handling and before eating, drinking, smoking, grooming, or garden activities. Store in a cool, dry location.
- To dispose of empty tubes, open the red tab. Place in trash or offer for recycling, if available.
- Do not mix with or add any other animal, household, or agricultural products.
- Do not apply if your dog/puppy is ill or debilitated, aged, pregnant, nursing, or a small breed of dog/puppy.
- Use only as directed. Do not use on cats. Keep cats away from treated dogs/puppies for 24 hours. If applied to a cat or ingested by a cat, call a veterinarian immediately.
