Cutter® Essentials is a line of insecticides and insect repellents that offer protection for the entire family. The formula for Cutter Essentials Outdoor Fogger has been tested to ensure it is effective against mosquitoes and other flying insects as listed.

READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE
Shake well before using. Kills flying insects, such as flies and mosquitoes, by contact. Aim spray away from person and push button to spray. Direct spray at flying insects, contacting as many insects as possible. Immediates the most noticeable results when using cool, dry air to spray. They may vary under warm conditions.

Flying Insects – Flies, Gnats, Mosquitoes: Spray product like air is cooler, sweeping insect like the wind rapidly. To reduce annoyance from these pests, first open windows or doors, then spray in the room. Spray the bottom of walls, corners and countershelf if necessary. Spray only when the air is still. Allow spray to dissipate before occupying the treated area.

Do not apply to unoccupied clothes and shoes, as they absorb heat more quickly. The product is non-toxic to most equipment or surface materials. Depending on the age and cleanliness, before using in areas where the spray may contact exterior home surfaces, test in an inconspicuous area and recheck in a few hours.

STORAGE AND DISPOSAL
Storage:
Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40°F - 90°F.

Container Disposal:
Do not puncture or incinerate! If empty, nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION.
Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco or using the toilet. Prolonged or repeated skin contact may cause allergic reactions in some individuals.

First Aid • If in eyes:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

If on skin or clothing:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. Have the product container with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact 1-800-767-9927 for emergency medical treatment information.

Physical or Chemical Hazards
Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for labeling and use in accordance with directions.
