The EasyTab® Advantage - Part of the MultiVision® Label Line of extended text labels. A multiple page product, whereby one to nine sheets of raw stock upper webs are affixed to the base label, using a clear overlaminate. The upper sheets are precurved to the diameter of the container. The patented lift tab will ensure package integrity.

Drawing is conceptual only. Line Trial is recommended to confirm validity of design.

Label Patent Number
Can be anywhere on the label at 3.5pt minimum (use any dark color on that layer)
